

SMART ART

ASPIRATION

curated
by
Felix Diener

Dieses Booklet bietet einen attraktiven Überblick über alle Motive der SMART ART Kollektion.

Jedes Design besteht aus zwei bis sechs separaten Paneelen in einer praktischen Breite von 0,53 m.

Die meisten Motive sind im Ganzen rapportierbar. Das bedeutet, dass sie immer wieder aneinandergesetzt werden können, um selbst die größten Räume beeindruckend zu gestalten.

Steht dagegen nur eine kleine Wand zur Verfügung, erschafft man mit nur einer Bahn aufsehenerregende Effekte.

Alle Designs sind hoch waschbeständig, UV-beständig und werden mit lösemittelfreien Farben aufgebracht. Das Ergebnis zeichnet sich durch eine brillante Druckqualität aus.

This booklet provides an attractive overview of all motifs of the SMART ART collection.

Each design consists of two to six separate panels in a practical width of 0.53 meters.

Most of the motifs are in general repeatable. This means that they can always be placed next to one another in order to decorate the largest rooms in impressive fashion. If, however, only one small wall is available, you can create spectacular effects with just one track.

All designs are highly wash-resistant, UV-resistant, and are superimposed with solvent-free colors.

The result is marked by a brilliant printing quality.

Ce livret fait un aperçu attractif de tous les motifs de la Collection SMART ART.

Chaque modèle est constitué de deux à six panneaux d'une largeur de pratiquement 0,53m.

La plupart des motifs peuvent être rapportés dans leur ensemble. Cela signifie que vous pouvez toujours les rassembler indéfiniment les uns aux autres afin de concevoir vous-même des grandes surfaces remarquables.

Cependant, il n'y a qu'une petite paroi disponible, on peut créer des effets spectaculaires avec juste une seule nappe.

Tous les modèles sont très résistants au lavage et aux UV et ont été recouverts de couleurs sans solvants. Le résultat se distingue par une qualité d'impression éclatante.

Die fein geprägte Oberfläche verleiht den Designs eine zusätzliche Dimension:
Erfahren Sie Drucktechnik in Vollendung!

The finely stamped surface lends the designs an extra dimension:
Experience printing technology at its finest!

La surface finement marquée confère une dimension supplémentaire aux modèles:
Faites l'expérience de la technique d'impression dans sa perfection!
